#### REGULAR MEETING

May 11, 2010

At a regular meeting held this evening at 7:00 p.m., there were present: Mayor Kai Degner; City Manager Kurt Hodgen; Assistant City Manager Evan Vass; City Attorney Earl Q. Thumma, Jr.; Vice-Mayor Richard A. Baugh; Council Members David Wiens, Carolyn W. Frank and Ted Byrd; City Clerk Yvonne "Bonnie" Ryan, MMC; and Chief of Police Donald Harper.

Council Member Frank gave the invocation, and Mayor Degner led everyone in the Pledge of Allegiance.

Bruce Lundeen said that the Rockingham County Board of Supervisors is being asked to allow an exploratory natural gas test well in the Bergton area. This test could have potential impact to the City's water supply as well as many people in Rockingham County who use well water. He asked City Council to take action to investigate the pros and cons of natural gas wells in the City's water shed and to participate with a regional water resource policy committee to determine how best to maintain and protect our water supply on sustainable basis.

<u>Priscilla Blosser Raine</u> expressed her concern regarding hydrofracturing. It could cause potential danger to our water supply and be a community health threat. The overuse of water and air pollution for fracturing shell for gas is dangerous for all of us. She asked Council to join the County in getting as much information as possible and oppose this proposal.

Anna Maria Ritchie said she was opposed to hydrofracking because it could contaminate the water and air.

Mike Layman, chairman of the The First Tee of Harrisonburg Foundation, once again presented an opportunity to create a large grass tee area at Heritage Oaks Golf Course. He said he was available to answer any questions regarding this proposal.

Pete McZumic presented his views regarding hydrofracking.

Bucky Berry said natural gas is one of the cheapest heat people can use.

Bruce Ritchie spoke against hydrofracking because he believes deregulating of the oil and gas industries have caused a lot of trouble.

Council Member Frank offered a motion to approve the consent agenda, including approval of the minutes and the second reading <u>amending Section 4-2-6 of the City Code</u>. The motion was seconded by Council Member Wiens and approved with a recorded roll call vote taken as follows:

Vote: Yes - Council Member Wiens
Vice-Mayor Baugh
Council Member Frank
Council Member Byrd

#### Mayor Degner

#### Absent - None

The next item of business was considering a proposed real property tax increase. City Manager Hodgen briefly reviewed the real estate tax rate. This year's budget is based upon the assumption of \$.59 per \$100 of assessed value. This rate is the same as the current tax rate, but represents an effective rate increase of about one and 3/10 cents per \$100 of assess value due to the 2009 Reassessment. It is recommended that the real estate tax rate remain the same.

At 7:25 p.m., Mayor Degner closed the regular session temporarily and called the evening's first public hearing to order. The following notice appeared in the Daily News-Record on Saturday, April 24, 2010.

#### NOTICE OF PROPOSED REAL PROPERTY TAX INCREASE

The City of Harrisonburg proposes to increase property tax levies.

- 1. Assessment Increase: Total assessed value of real property, excluding additional assessments due to new construction or improvements to property, exceeds last year's total assessed value of real property by 2.25 percent.
- 2. Lowered Rate Necessary to Offset Increased Assessment: The tax rate which would levy the same amount of real estate tax as last year, when multiplied by the new total assessed value of real estate with the exclusions mentioned above, would be \$.577 per \$100 of assessed value. This rate will be known as the "lowered tax rate."
- 3. Effective Rate Increase: The City of Harrisonburg proposes to adopt a tax rate of \$.59 per \$100 of assessed value. The difference between the lowered tax rate and the proposed rate would be \$.013 per \$100, or 2.25 percent. This difference will be known as the "effective tax rate increase."

Individual property taxes may, however, increase at a percentage greater than or less than the above percentage.

4. Proposed Total Budget Increase: Based on the proposed real property tax rate and changes in other revenues, the total budget of City of Harrisonburg will be less than last year's original budget by .56 percent.

A public hearing on the increase will be held on May 11, 2010 at 7:00 p.m., or as soon as the agenda permits in the Harrisonburg City Council Chamber located at 409 South Main Street, Harrisonburg, Virginia.

All hearings shall be open to the public. The governing body shall permit persons desiring to be heard an opportunity to present oral testimony within such reasonable time limits as shall be determined by the governing body.

Mayor Degner called on anyone desiring to speak for or against this proposed real property tax increase.

Kathy White, general manager for Forbes Development, said re-assessment at the current tax rate would cost the company additional money. Our assessed value went up 122% in January 2009 and another 107% in January 2010. Taxes come first in our budget. We have never been delinquent, job sites are sitting dormant, employees didn't receive an increase, leased offices are vacant, and our shopping center is partially vacant. Ms. White asked the City to operate on a tighter budget, lower the tax rate to 57.7% per \$100 dollars to keep the City's real estate tax and revenues the same for one year. There being no others desiring to be heard, the public hearing was declared closed at 7:30 p.m., and the regular session reconvened.

Planning and Community Development Director Turner presented a request from Richard Chew for a special use permit to allow a major family day home within the U-R, Urban Residential District and the R-P, Residential Professional Overlay District. The property is located at 627 South Mason Street and can be found on tax map 25-N-15. The Comprehensive Plan designates this area as Neighborhood Residential. Mrs. Turner reviewed the surrounding uses in the area and also briefly reviewed child care provisions allowed in the Zoning Ordinance. Currently, Koontz Family Day Home, a "minor family day home", is operating from the singlefamily dwelling located on the property. Along with having a home occupation permit, the Koontz Family Day Home is also licensed by the Virginia Department of Social Services (VDSS) for a capacity of up to five (5) children. At present, three children are cared for at the "minor family day home", which operates from 6:30 a.m. to 5:30 p.m. The applicant has stated that she desires to keep more than five children and needs the special use permit, before VDSS would license her for more. The property is situated within a blue zone permit parking area; therefore, parking permits are necessary at all times. Additionally, the portion of South Mason Street directly in front of the home is a right turn lane for traffic turning onto Cantrell Avenue and is marked for "no parking." The applicants have a shared driveway, which parents currently utilize to drop-off and pick-up children. The driveway is large enough to maneuver two vehicles in, as well as turn-around at the back of the home if necessary. Planning Commission has recommended approval of the special use permit request.

At 7:41 p.m., Mayor Degner closed the regular session temporarily and called the evening's second public hearing to order. The following notice appeared in the Daily News-Record on Tuesday, April 27, and Tuesday, May 4, 2010.

Planning and Community Development Director Turner presented a request from Stephan Hess to rezone two parcels from R-3C, Multiple Dwelling Residential District Conditional to B-1, Central Business District. The properties are located at 139 and 147 West Water Street and can be found on tax maps 25-C-8 & 9. The Comprehensive Plan designates this area Mixed Use Development. Mrs. Turner reviewed the surrounding uses in the area. Both of these parcels were rezoned from M-1 to R-3C, Multiple Dwelling Residential District Conditional in June 2004 and 2005. The proffered conditions for both properties were identical, that the properties would be used for: all uses permitted in the R-1, Single Family Residential District, or professional and medical offices. Since the rezoning, parking has been added behind the building, and they have been occupied both residentially and by professional offices. The property owner is currently trying to lease the properties and has found interest from other businesses. The applicant is aware that additional uses of these buildings could trigger the need The applicant has proffered to allow all uses for improvements to meet building codes. permitted by right and by special use permit under Sections 10-3-84 and 10-3-85 of the Harrisonburg Zoning Ordinance; amending however, Section 10-3-84 to read: 1) Hotels, motels and buildings used for two or less dwelling units, as defined under Section 10-3-24 of the Zoning Ordinance. 2) Dwellings units can be occupied by a family or not more than four persons, except that such occupancy may be superseded by building regulations. Also proffered with this application the requirement to maintain no less than ten parking spaces on site. If this property was to ever be part of a larger scale urban development in this area, the additional properties would also have to be rezoned and these proffers could be modified to suit the project as part of the larger rezoning. Planning Commission has recommended approval of the request.

At 7:53 p.m., Mayor Degner closed the regular session temporarily and called the evening's third public hearing to order. The following notice appeared in the Daily News-Record on Tuesday, April 27, and Tuesday, May 4, 2010.

#### NOTICE OF PUBLIC HEARING

The Harrisonburg City Council will hold several public hearings on Tuesday, May 11, 2010 at 7:00 p.m., in the City Council Chambers, 409 South Main Street to consider the following:

Public hearing to consider a request from Stephan Hess to rezone two parcels totaling 15,135 +/- sq. ft. from R-3C, Multiple Dwelling Residential District Conditional to B-1, Central Business District. The properties are located at 139 and 147 West Water Street and can be found on tax maps 25-C-8 & 9. The Comprehensive Plan designates this area as Mixed Use Development. This designation includes both existing and proposed new mixed use areas. These areas are intended to combine residential and non-residential uses in planned neighborhoods where the different uses are finely mixed instead of separated. These areas are prime candidates for "live-work" and traditional neighborhood developments. Live-work developments combine residential and office / service uses allowing people to both live and work in the same area. The Zoning Ordinance states that the R-3, Multiple Dwelling Residential District is intended for medium- to high-density residential development and other uses intended to respect the residential character, which are aesthetically compatible within the district by means of architectural expression, landscaping, and restrained traffic flow. The residential density ranges for R-3 are singlefamily, 6,000 sq. ft. minimum; two-family, 4,000 sq. ft/unit; multi-family, 3,000 sq. ft. minimum per unit; townhouses, 2,000 sq. ft. minimum per unit; and other uses, 6,000 sq. ft. minimum. The B-1, Central Business District is intended as an urban and regional center for the conduct of commercial, financial, professional and governmental activities to which the public requires direct and frequent access. No minimum lot size or setback restrictions exist in the B-1, Central Business District.
